Hi Valois,

Please find attached the list of tribal contacts in Excel. The Excel file contains the list for which we made calls to the tribes and includes additional information you sent on 5/21. The titles of the chairs have been reviewed. The Word file contains the tribal consultation letters.

We did have a few questions and other comments for you regarding the letters:

- What date should be added to the third page of every letter?
    - Would you like Cadmus to wait to populate that field on the day we send them?
  - The Cheyenne River Sioux Tribe has a Chairman and designated contact. To whom should the letter be addressed?
    - See pages 1-3 for the designated contact letter
    - See pages 4-6 for the Chairman letter
    - We should pick one of these letters to send
  - The following tribes do not have a TPHO
    - The Skull Valley Band of Goshutes of the Skull Valley Reservation
    - The Southern Ute Tribe of the Southern Ute Reservation
    - The Apache Tribe of Oklahoma
  - The following tribes do not have a Tribal Environmental Director
    - The Shakopee Mdewakanton Sioux Community (Sioux)
    - The Skull Valley Band of Goshutes of the Skull Valley Reservation
  - Not all the Tribal Environmental Directors have identical titles. The letter indicates we will always use the title Tribal Environmental Director. Is that correct?
  - We have "Interim Chairman" as the title for the Sisseton-Wahpeton Oyate tribe. Your list does not clearly state what the title should be as we have a different chair listed. Please confirm.
- Let us know if you have questions.

Thanks,  
Mary Ellen
